Keeping Ourselves Safe Meeting

Every two years we deliver the KOS programme (part of our Health Curriculum) with the support of our local community officer, Viv Sutton.

Keeping Ourselves Safe is a comprehensive personal safety programme for schools. Its purpose is to teach students a range of safe practices they can use when interacting with other people, both online and face to face.

A parent information session will be held on **Monday 1 July** in the school library. The sessions are **2-3pm or 5:30-6:30pm**. The programme will be delivered at the beginning of Term 3.
