Safeguarding

Please help us to safeguard all our students by letting the office know if your child/ren are being picked up by someone else. All students leaving before the end of the day MUST be signed out at the office.

ATTENDING SCHOOL is IMPORTANT!!

Regular attendance at school helps build and maintain a child's learning and positive daily habits and routines, as well as promoting their wellbeing by connecting them to their peers and learning new things.

ATTENDANCE INFORMATION

Regular attendance is defined as 90% attendance during the term- the equivalent of missing less than five days of school in a standard 10-week term.

The government has set a (regular attendance) target of 80% of students to be present for more than 90% of the term by 2030.

If a student misses one day of school every two weeks, they miss more than a whole year of school by 16 years of age. As a parent or caregiver, you, alongside our school, play a key role in building strong habits of regular school attendance.

All students are legally required to attend school every day and it is a shared responsibility to make sure students attend and engage in learning from when they first start school.

Reminder: Please let the school know if your child is going to be absent or intends to be absent for a portion of the school term for whatever reason, like a tangi or medical procedure. Family holidays or taking time off for extracurricular activities (not organised by school) are not acceptable reasons for being absent.

ATTENDANCE MATTERS AND WE CAN ALL WORK TOGETHER TO INCREASE SCHOOL ATTENDANCE

Please don't hesitate to contact me if I can help in any way.

Kind regards
